Delhi Public School	XII	73%	2023
RNS IT Solution Pvt. Ltd., Jaipur	Diploma in Software Engineering	—	2025
Manipal University, Jaipur	BCA (Pursuing)	—	2025

PROFESSIONAL SUMMARY

- Highly motivated Full-Stack Software Developer with hands-on experience in both front-end and back-end development.
- Skilled in HTML, CSS, JavaScript, Bootstrap, React.js, Node.js, and C++.
- Proficient in leveraging AI development tools including **Claude, ChatGPT, and Gemini** for efficient coding, debugging, and solution architecture.
- Strong understanding of REST API development, UI/UX principles, and responsive design.
- Ability to collaborate effectively in teams and deliver high-quality, scalable applications.

PROJECTS

1. Crypto-Themed Responsive Website

- Built a fully responsive website using HTML, CSS, and Bootstrap.
- Designed modern UI components and ensured seamless responsiveness across devices.
- Implemented CRUD operations and enabled data persistence using localStorage.

2. Node.js REST API

- Developed a RESTful API using Node.js and Express to manage user data.
- Integrated middleware for authentication, validation, and request handling.
- Ensured modular, scalable architecture for ease of future expansion.

STRENGTHS

- Strong problem-solving abilities and logical analytical thinking.
- Excellent communication and collaborative teamwork skills.
- Quick learner with high adaptability to emerging technologies and tools.
- Committed to delivering high-quality software solutions and clean, maintainable code.
- Highly trained in both front-end and back-end development stacks.
